On Sunday December 19<sup>th</sup> there will be Prayer for Healing, in the Lady Chapel - while communion is being administered. Initially myself and Michelle Petch will offer this ministry every other week: so that people have the opportunity to receive prayer for things that are concerning them - illness or some other situation. ### WANT TO KNOW MORE ABOUT JESUS?

The Christian Enquiry Agency, working on behalf of all the major Churches in Britain and Ireland, exists to help people find out about Jesus Christ and to have a clearer understanding of the Christian Faith. They have set up a new website:

[www.christianity.org.uk](http://www.christianity.org.uk). It has good information written in an accessible style. The web page also enables you to order - for free - a small book about Jesus.

Attractively presented, it contains helpful articles and explanations together with real life accounts of how faith makes a difference.

The Agency operates a confidential service. It does not pass your details on, and unless you ask will not contact you again. If you do not have access to the web and would like the material, please have a word with Fr Stephen or Revd Anne.
